CARRIER

Ameritas 

Client Goal

Protect proceeds from a home sale and create a dependable retirement income stream.

Strategy Purpose

Protected, tax-deferred growth with future income potential.

Main Policy Points

- Protects principal from direct market losses
- Allows tax-deferred accumulation
- Can create a predictable retirement income stream
- Offers beneficiary options
- May include optional income or enhanced benefit riders
- Funds are positioned for protection first, then growth potential.
- The final recommendation should be reviewed against the official carrier illustration.
